Dear Claire

I am writing to say how impressed I was with my visit to your fabulous school on Friday morning last week. It was a real joy to be able to visit all of the classrooms and see the really positive way that all staff and pupils were working together and learning.

Display was really impressive throughout the school and spoke of an embedded ethos and culture of learning, progress and celebration of achievement. The whole school was so calm, friendly, and so clearly focussed on the children and their learning.

Other factors that were very noticeable included the really effective use of digital technology to capture pupil progress and share it with the key stakeholders in such a positive and efficient way. Just to let you know I have already spoken to Carly Simmonds, Headteacher at Little Reddings (the primary school within our multi-academy trust) and shared the impact of this work. It is something she is certainly interested in exploring and adopting.

Thank you once again for making me feel so welcome. With best wishes for every continued success this year,

Yours sincerely
