Dear Mrs May

Thomas Evans - Oak

I hope your term is progressing well; it is terrifying that there are only four weeks left until we break up! I am writing, as required to give the necessary notice for Thomas whose last day at Longwood will be the 31st July 2017. He will be starting at the Edge Grove Pre-School in Aldenham Village in September.

It will be a very sad day for us all after five years of very happy association with the school. Thomas loves coming to Longwood each day, as did Edward, and we have seen both boys develop and thrive under the school's amazing care and attention. The standard of your teaching and learning is excellent along with first-class pastoral care. I am constantly amazed at how well the staff know the children, the close relationships they share and the caring and supportive ethos that pervades the school.

I have been particularly impressed with the number of changes and improvements you have introduced since arriving at Longwood and the obvious benefit these have had on the school and high standard of education offered. The outdoor learning has been a particular highlight for both boys and your provision is second to none.

Thank you again for giving Edward and Thomas such an enjoyable start to their education and I wish the school and you every continued success. Alex and I will, of course, continue to highly recommend Longwood to the many prospective parents we meet.

With best wishes
